

COMMUNITY COMMENT NOVEMBER 7, 2012

This is Phil Arnot for Community Comment on KINS Radio.

The election is over and its time to move on, but we must remain vigilant as to the
Lame Duck Congress the rest of the year, *especially if there is a change in the Senate*
I am often reminded of the Graveyard Harry Reid created in our U. S. Senate.

There were at least ten major bills passed by our House of Representatives by over
whelming majority *with many Democrat supporting* this last session, that were buried by Senator Reid by just not bringing
them up for a vote, *so they all died.*

Well, Veterans Day is this coming Sunday, November 11th, ~~not only should we~~
~~honor our Veterans on Sunday, but I think~~ every day. These Veterans are the ones who
gave us our freedom and continue to keep us free and out of harms way. *If all started in 1976.*

Kathryn Burleson will be showing her sketches of the Veterans who went on the
Honor Flights to Washington D. C. at the Arkley Center for the Performing Arts on
Monday November 12th. Some have already been released and I think it will be a
wonderful show. *There will be patriotic music by the Eureka Symphony.*

Our family moved from Los Angeles to Eureka in 1944, during the second World
when I was 7 years old.
War. When the War ended there were hundreds of silver dollars in small parachutes
dropped from the sky over the Eureka Inn and adjacent streets and properties in
celebration. Many of the older kids climbed onto the roof of the Inn to retrieve those silver
dollars. It was quite a celebration. I will never forget it even though it was 67 years ago.

I leave you with a point to ponder: I think that our men and women who have
served in our Armed Forces in whatever capacity should be honored everyday not just
~~once a year~~ *and Memorial Day* on Veterans Day. This is Phil Arnot for Community Comment.
