

I'm Dale Warmuth with a community comment on KINS. Boys & Girls Club of the Redwoods serves more than 4,000 Humboldt, Del Norte and Siskiyou youth each year. Youth and families throughout our community need YOU! Here's one great way you can help.

Join us this year for Cruzn Eureka tonight through this Saturday. This annual three day automobile event includes something for everyone.

Tonight is the Poker Run throughout Eureka with terrific prizes, followed by a Show and Shine Championship, Outdoor live music concert, cool vendors and great food at the historic Vista Del Mar!

Tomorrow, September 7th starting at 6PM, is Cruzn Eureka's annual Cruz through Old Town Eureka. For the first time the Cruz combines with Eureka's popular new Friday Night Market, so there will be plenty of fun for everyone. The Cruz features all kinds of classic vehicles! It's only ten dollars to enter and free to watch! It winds all the way from L Street down to C Street and back via both 1st and 2nd streets through the heart of Old Town. That's tomorrow night September 7th. Later tomorrow night don't miss the Cruzn Eureka Movie at Eureka Theater - this year featuring the Blues Brothers! More cool cars will be on display on F street in front of the theater.

This Saturday September 8th is the BIG CRUZN Car Show day as 2nd street in Old Town will be closed and lined with classic restored vehicles from far and wide. It will be a beautiful day for everyone with plenty of prizes, food, vendors and trophies for all the winning entries. That's Saturday the 8th from 10AM to 4PM. So dust off your classic car or truck! Shine it up and enter it tonight, tomorrow night and Saturday, or just come out and join the fun.

You'll get all the details on the Boys & Girls Club of the Redwoods website, bgcredwoods.org. You'll also see a list of sponsors - the great business folks who help Cruz'n Eureka raise thousands of dollars for Boys & Girls Club every year. Remember to thank them, because the club DOES make a positive difference in the lives of our kids and in the future of our community. 97% of Club Teens expect to graduate from high school and 88 percent will go on from there - way above average. Healthy lifestyles, excellent academics and great citizenship are all parts of Boys & Girls Club of the Redwoods. Show your support by joining us this weekend for Cruzn Eureka, starting tonight!
